Probus Club of Cecil Hills- Newsletter
Thursday 4th June 2026

Presidents Message:

Hello and a very warm welcome to you all.
Well June is upon us again!
It's been 2 years since we met and formed our club. So, we will celebrate this as well as Probus Australia 50th birthday with a wonderful morning tea and an extended meeting.

On Thursday some of us went on an outing to trace the journey of the 3 Japanese midget submarines that attacked Sydney Harbour on the 31st of May 1942. It was a very educational and interesting experience on our harbour and showed that we were very lucky to have not had more damage and lives lost on that day.

Our guest speaker this month is Peter Plowman a Marine Researcher and scientist, and his topic is called Building Giants.

Our next meeting is July 2nd at our home base 5 Sandringham Dr Cecil Hills and afterwards at St John's Park Bowling Club for lunch.
See you there.

Some Words of Wisdom

Count Your Life by Smiles: *As John Lennon famously said, "Count your age by friends, not years. Count your life by smiles, not tears." Your relationships and joy define you far more than the number of candles on a cake.*

Note to Probus members and visitors:

As there is ongoing construction work at the public school, when parking your car at the meeting, park well clear of the entry gate and the driveway to the public school. Thanks.
