

President's Message:

Welcome to 2026,

I certainly hope you all enjoyed your activities over the festive season, and I think Summer has finally arrived. Our lunch with music at the Somerton Park Surf Life Saving Club was a great success.

We have an exciting year ahead, including a new committee being elected in March at our AGM. Please nominate by the end of our February meeting on the 3rd.

PSPL are planning some special activities yet to be yet to be announced. Watch this space.

The Getaway Group is going away next month, which should prove to be good fun.

As Ambassador for our Club, I enjoyed visiting two other clubs during January,

Our fun in friendship continues.

Growing up, we knew Dad had had enough when we heard the recliner slam down. Kids these days will never know that fear.

When I was in elementary school we learned about a shape called a rhombus and that was the last time I every heard about that shape.

As I walk through the valley of the Shadow of Death. I remind myself that you can't always trust Google Maps.

I took my suit to the cleaners who wanted to charge me \$40. So I gave it to the charity shop next door. They cleaned and pressed it and put in the window. I bought it back for \$15.
