Probus Club of Cecil Hills-Newsletter
Thursday 5th November 2026

Presidents Message:

Greetings fellow members,
I hope you all are well; we have a very busy time for the club in the coming months.

- *Pizza Night – In November*
- *Christmas Party – In December*
- *AGM-in March*
- *Broken Hill trip-April/May*

As I mentioned at our last meeting its time to start thinking about who will guide our club for the coming Probus year. You may think it's a daunting task to take on a roll in the committee, I can assure you it's not. We are very fortunate in our club to have a great committee, if you take a position, you will be given every support you need, I speak from experience being a foundation President of another Probus Club.
You will find it a rewarding experience, please give it some consideration.

From the Editors Desk

Why Aging Friendships Matter

- ***Health and Longevity:*** *Strong social ties lower the risk of depression, cognitive decline, heart disease, and chronic illness. Loneliness, by contrast, can raise health risks significantly.*
- ***Shared History:*** *Long-term friends act as living archives of your life, offering validation, humour, and deep comfort through major life transitions like retirement, loss, or health changes.*

Guest Speaker

*Our **November** Guest Speaker is **Rosamund Burton** who will be bringing copies of her books for purchase. **Whispering Wire** (the topic of her presentation) is $35.00 and her first book, Castles, Follies and Four-Leaf Clovers, is $30.*
For anyone wishing to make a purchase, Rosamund will have a credit card reader and can take cash on the day.
